The site features over 3,000 works for sale at the world's leading design galleries and upcoming auctions worldwide. The works offered on the site represent the finest in modern and contemporary design by over 1,000 renowned designers including Carlo Mollino, Isamu Noguchi, Jean Royère, Marc Newson and Zaha Hadid, among many others.

The site's search functionality enables users to browse the Marketplace by designer, object type, style/period, price and location of the item. Detailed information is provided for each work, and interested buyers can email the seller directly from the site. All sellers

are members of artnet's gallery network. New works are added daily.

"We are delighted to provide this service to the design community," said Bill Fine, President of artnet. "artnet's Design Marketplace provides a centralized site for design buyers and sellers to communicate instantly, inexpensively and globally."

About artnet:

artnet has been online since 1995 and is host to 2,000,000 visitors each month. Through its Price Database of 3.6 million auction sales results and its Gallery Network of over 2,000 galleries worldwide, artnet is the leading online resource for the international art market. With the new Design Marketplace, artnet is adding a searchable database of modern and contemporary design to its successful information services, as well as online art auctions.
