INTERNATIONAL EDITION

THE ART NEWSPAPER

ART BASEL DAILY EDITION WEEKEND 15-17 JUNE 2007

They think it's all over...but it's not

When Art Basel closes its doors on Sunday night, the fair will not be entirely over. Thanks to an agreement with the website Artnet, from Sunday on it will still be present in cyberspace. Visit www.artbasel-artnet.com and you can use an interactive floor plan to surf the stands and view each gallery. The works shown will be chosen by the galleries, and will include pieces sold at the fair as well as those still available. The virtual fair remains online for two months and will be extended to Art Basel/Miami Beach and future editions of Art Basel. **G.A.**
